

Certificate of Sponsorship

21st June 2007

Certificate No.:00000735

www.coolearth.org

This is to certify that Adam Stevens has secured 1 half acre block (0.5 acres) of mature rainforest and has kept 260 tonnes of carbon where it belongs. Adam Stevens's sponsorship is protecting 44 mature trees, 188 saplings, 6 endangered animals, 322 types of plant and over 11,000 species of insect and worm.

Adam Stevens has secured carbon in the following area:

Atininga

Adam Stevens has sponsored 1 half acre block in this area.

In partnership with Cool Earth Action, Adam Stevens is working to halt climate change by protecting the world's most endangered rainforest.
